

'Work in the current context'

The Sunday Times Business Club (STBC) is organising an online discussion titled "New ways of doing 'Business and Work' in the current context" on Tuesday June 16 at 7.30 pm.

The event is for members only and will feature 4-5 members of the club who will serve on a panel to discuss the above topic.

The discussion will deal with the personal experiences of members in managing their homes and their work – through home from work or limited work - during the COVID-19 lockdown.

It will also deal with how members as parents managed their children's education, and how they used technology as support services during the lockdown. The discussion will be conducted on the zoom meeting platform.
